WORK EXPERIENCE

Inventory Associate, June 2026 – Present

FreshBox Market — Guelph, ON

- Maintain clear communication with customers to ensure satisfaction and resolve issues promptly.
- Receive and ship stock to and from distribution centres, checking quantities and quality.
- Pack, load and deliver customer orders on scheduled routes.
- Organize the back room and keep product stocked and displayed at the right levels.

Kitchen Supervisor, May 2025 – May 2026

Lucky Lotus 97 — Fergus, ON

- Supervised and coordinated the kitchen team for food preparation and service.
- Evaluated and sourced ingredients and supplies; monitored inventory and waste.
- Trained staff on duties, hygiene and safety measures.
- Ensured food and service met quality standards.

Senior Team Member, Sept 2023 – May 2025

Lucky Lotus 97 — Fergus, ON

- Monitored inventory levels and maintained accurate records of food and supplies.
- Collaborated with team members to enhance operational efficiency.
- Worked part-time while completing Graduate Certificates in Project Management and Business Development and Sales at Conestoga College.

Senior Process Associate, May 2022 – Aug 2023

MaxVal IP Services — India

- Member of the IP Support Services (IPSS) paralegal team; led client calls and weekly meetings to review case status, requirements and open items.
- Trained and onboarded new team members on IP docketing tools and procedures.
- Wrote SOPs and workflow documents that standardized processes and improved team efficiency.
- Worked with IT teams to test and improve docketing system features (requirements and UAT support).
- Conducted chain-of-title review and Patent Term Adjustment (PTA) analysis, validating case data across Thomson IP Manager and Anaqua.

Process Associate, May 2021 – May 2022

MaxVal IP Services — India

- Ran quality assurance reviews on patent data and recommended fixes that reduced errors.
- Verified and managed high volumes of patent data with a strong focus on accuracy.
- Managed Information Disclosure Statement (IDS) documentation in Symphony, the company's Salesforce-based IP platform, and obtained certified assignment documents from the USPTO.

Junior Process Associate, May 2019 – May 2021

MaxVal IP Services — India

- Verified patent data and kept records accurate and up to date in IP docketing platforms across a 1,000+ account portfolio.

- Completed chain-of-title reviews to keep IP ownership records legally accurate.

EDUCATION

Business Development and Sales — Graduate Certificate Sept 2024 – Apr 2025
Conestoga College, Kitchener, ON

Project Management — Graduate Certificate Sept 2023 – Apr 2024
Conestoga College, Kitchener, ON

B.E. Computer Engineering 2015 – 2019
Dhaanish Ahmed Institute of Technology, Coimbatore, India

CERTIFICATIONS & PROJECTS

Payment Gateway: An Error-Free Payment Experience 2021

Capstone Project — Agile Business Analyst Certification, Imarticus Learning (6-month program)

- Authored a full business requirements document, including business problem analysis, RAID (Risks, Assumptions, Issues, Dependencies) analysis and mitigation plans.
- Developed AS-IS and TO-BE process maps to model payment transaction flows and identify improvement opportunities.
- Wrote Agile user stories with preconditions and acceptance criteria in JIRA and defined 20+ functional and non-functional requirements prioritized by criticality.

Certifications

- Agile Business Analyst Certification — Imarticus Learning (Sept 2021)
- HubSpot Sales Hub Software Certification — HubSpot Academy (Nov 2024 – Dec 2025)
